

CONSERVATORS OF THE RIVER CAM

Navigation authority for the River Cam, between Cambridge and Bottisham Lock

NAVIGATION RESTRICTION NOTICE

NOTICE is hereby given that the Environment Agency will be undertaking essential remedial works to Jesus Sluice commencing Monday 13 November 2006 for a period of approximately two weeks.

The works involve repairing eroded sections of brickwork above and below the water level. There will be divers in the water at times and a floating pontoon will be moored near the sluice gates whilst the works are being undertaken. Jesus Lock may be closed intermittently to river traffic.

River users are requested to stay well clear of the sluice gates during these works and to observe the contractors' signs and instructions.

The Conservators of the River Cam and the Environment Agency apologise for any inconvenience caused.
