(b) the River Manager and officers be authorised and directed to collect the registration fees, any arrears and all other charges due to the Conservators and to take such steps as may be necessary (through Court action, including power to agree to and to sign proxy for the Conservators in respect of any voluntary arrangements of creditors, bankruptcy or liquidation proceedings in respect of the Conservators' debtors or otherwise) on behalf of the Conservators to complete such collection or to enforce the Byelaws and statutes and to defend actions on behalf of the Conservators. (d) the River Manager, after consultation with the Chairman or Deputy Chairman, be given power to agree special terms for payment, to compromise or otherwise to amend any claim in respect of registration fees due to the Conservators and to agree terms for and to issue (with or without such conditions as they deemed appropriate) licences for work to be carried out in or over the navigation or on the banks to applicants and to refuse such applications and those for registration of boats, for any reason for which the Conservators have that power and without limiting the generality of this authority, particularly if they have any concern as to the safety of the navigation or any boats concerned or their effect on the safety of others to implement such powers; provided that details of all such licences granted or refused shall be reported to the next ensuing meeting of the Conservators.

**Conservators are asked to agree to the delegation of their powers to the Chairman, Deputy Chairman and their officers until the first meeting of 2013.**
