

CONSERVATORS OF THE RIVER CAM

Navigation authority for the River Cam, between Cambridge and Bottisham Lock

RESTRICTION OF NAVIGATION

NOTICE is hereby given under Section 42 of the River Cam Navigation Act 1851 that navigation on the river Cam will be restricted on the following dates at these locations:

Bottisham Lock

Baits Bite Lock

Jesus Lock

From **Friday 26th January to Friday 9th March 2007** inclusive.

Works are being undertaken by the Environment Agency to replace the safety booms on the upstream side of these weirs. The works will involve a piling rig which may at times produce considerable noise. There will be barges and workboats in attendance. Works may be carried-out over the weekends in addition to weekdays.

River users are requested to observe the instructions issued to them by the contractors on site.

The Conservators of the River Cam apologise for any inconvenience caused.
