

Model Boats on the Cam!

Sunday 23rd of August 10am to 5pm

Jesus Lock, Jesus Green, Chesterton Rd.
Cambridge, CB4 3BQ

This is the first time ever that a section of the River Cam has been closed off exclusively for the use of model boats.

With models from a number of model boat clubs in action this event introduces a whole new element to the pleasures of the Cam!

This event is organised by the Cambridge Museum of Technology in cooperation with the Cam Conservancy and Cambridge City Council.
